GEEK SPEAK: Upgrade Your Business Cards with QR Codes

I have a daunting task ahead of me, a big pile of business cards from people I've met over the last month or so.

I make it easy on new clients and partners, I have my QR Code stamped on the back of my card so all they need to do is point their phone at it and my contact info is instantly sucked in

CLOSET CHAT: How To Show Love to your Designer Jeans

Q: I've paid a lot of money for a pair of designer jeans and wonder if you have any advice on how I should care for them when washing?

A: Congratulations on finding a great pair of jeans! Protect your investment by following a few simple steps in the laundry room:

1. Turn jeans inside out and make sure zippers and buttons are done up (to reduce friction from other fabrics and to prevent snags).
2. Choose the cold water setting.
3. Most pairs are fine on a regular-length cycle. If your jeans are ornamented or detailed you may wish to consider either dry cleaning or using a delicate wash cycle.
